- The Ed Perpetua Tennis Academy's aims to further your child's existing abilities offering a Play Day which will help your child gain experience in competing against one another.
- A Play Day is an introductory tournament format where kids, ages 4-17 years, can get game and match experience, keep score, make their own calls, win, lose and then play some more.
- Its our goal to facilitate your child for the future prospect of participating in USTA sanctioned Tournaments. The games and matches are played using age and size appropriate equipment.
- Play Days provide players the opportunity to participate at their level against opponents of similar skills. These low key competitions are organized in formats so children can play again and again, whether they win or lose.
